VISION & MISSION

VISION

To be a global leader in the field of open, distance and online education promoting life-long learning using cutting-edge technology across geographical regions.

MISSION

Our mission is to be an internationally acclaimed premier institution of open, distance, and online education to influence the direction of learning in the future and make a real impact in the fields of research and education. To empower the learners by providing 21st-century skill sets through a wide array of professional, academic, and skill-based courses. To enable a dynamic learning behaviour amongst learners across society reaching the masses at their doorstep. Our commitment towards excellence and inclusivity drives us to equip our lifelong learners to thrive in a global landscape shaping a bright future.

PREAMBLE

In 2022, the University of Delhi established the Department of Distance and Continuing Education (DDCE), Faculty of Open Learning, and the Open Learning Development Centre (OLDC) under the auspices of the Campus of Open Learning (COL). The DDCE encompasses a variety of disciplines, offering distance learning programs in fields such as Commerce, Economics, Education, English, Environmental Science, History, Hindi, Mathematics, Political Science, Punjabi, Sanskrit, Urdu, Management, Financial Studies, Library and Information Science, Computer Science, and Psychology.

The School of Open Learning under the aegis of COL, established in 1962, initially provided conventional programs in humanities and commerce. Its first batch had around 900 students. Over the years, it has expanded significantly and now serves over four lakh students across various disciplines. This growth has been paralleled by the establishment of regional centers: the South Study Centre at Moti Bagh (1990), the West Regional Centre at Keshav Puram (2007), and an upcoming center at Tahirpur, East Delhi. In 2022, the DDCE launched six new professional courses, including MBA, Master of Library and Information Sciences (MLISc), B.A. (Hons.) Economics, Bachelor of Management Studies, Bachelor of Business Administration (FIA), and Bachelor of Library and Information Sciences (BLISc). The B.A. (Hons.) Psychology program was introduced in 2023.

The School of Open Learning provides higher education opportunities particularly for those who are employed or unable to attend regular college due to various constraints. The flexible distance education mode is designed to help students achieve higher education and vocational skills through well-structured course materials provided at admission, supplemented with video lectures and academic counseling sessions at various Learning Support Centres. Experienced faculty members are available for mentoring and counseling at the main campus. Admission criteria and examinations adhere to the norms of the University of Delhi, which confers degrees upon DDCE students as it does for those in its constituent colleges. Beginning in the 2022-23 academic session, the University of Delhi adopted the National Education Policy (NEP) 2020 and introduced the Undergraduate Curriculum Framework (UGCF) 2022.

VICE-CHANCELLOR'S MESSAGE

Greetings to all!

It gives me immense pleasure to extend a warm welcome to all of you for the upcoming academic year 2024-25 at the Department of Distance & Continuing Education (DDCE), School of Open Learning (SOL), under the auspices of the Campus of Open Learning, University of Delhi. The Department has continuously demonstrated excellence in addressing the educational needs of students nationwide, providing affordable and accessible education. Through its unwavering dedication to academic inclusivity, it has greatly influenced the lives of students from various cultural and social backgrounds.

The year 2022 marked a significant renaissance in Distance Education and Open Learning with the launch of six new job-oriented professional programs. These programs were meticulously designed to address various global challenges through the holistic development of students, preparing them to become competent professionals, service providers, policymakers, managers, librarians, and entrepreneurs. In today's interconnected world, it is imperative for individuals to be global citizens, and I am confident that these programs will harness the nation's human resources to produce future leaders and nation-builders.

I warmly welcome the incoming batch to this esteemed institution and wish them success in their academic and professional endeavors. Best wishes to the Department for a promising new beginning. I am assured of the enthusiastic participation of all stakeholders at the Department of Distance & Continuing Education, School of Open Learning, under the aegis of the Campus of Open Learning, University of Delhi.

Best Wishes!!

Prof. Yogesh Singh

DIRECTOR'S MESSAGE

Dear Students,

I warmly welcome you to the Department of Distance & Continuing Education (DDCE), School of Open Learning (SOL), under the aegis of the Campus of Open Learning (COL), University of Delhi. Established in 1962, our institution has a distinguished 62-year history as a premier provider of higher education in the distance mode. The DDCE/ SOL embodies a culture of innovation and diligence, with a steadfast commitment to achieving its institutional goals. For decades, we have enabled thousands of individuals from economically and socially disadvantaged backgrounds to access higher education, contributing significantly to the "Education for All" initiative.

Traditionally, the DDCE/ SOL has offered programs in Commerce and Humanities. In the academic year 2022-2023, we expanded our offerings with six new programs in Management and Library and Information Science. These need-based programs are designed to be professionally and vocationally oriented, aligning with the guidelines of NEP 2020. Our curriculum meets the standards of leading universities in India, and these flexible programs enhance employment prospects with a student-friendly fee structure. We emphasize hands-on experience, supported by self-paced learning, updated study materials, and Academic Counselling Sessions (PCP classes). The strategic use of ICT and multimedia technologies ensures we meet the educational needs of students nationwide.

The Department is dedicated to democratizing higher education by inspiring and developing students into committed professionals and entrepreneurs. Our expanding higher education system emphasizes skill development to enhance employability, equipping students with essential analytical and soft skills. Through a commitment to academic, professional, and holistic excellence, we strive to inspire, nurture, and guide our students to think progressively, adopt value-based perspectives, and uphold ethical standards. This program will be a crucial steppingstone in your personal, academic, and professional growth. We wish you great success and numerous milestones in your future endeavors. Best wishes for your health, happiness, and a prosperous future with us.

Best Wishes!!

Prof. Payal Mago

PRINCIPAL'S MESSAGE

Dear Aspiring Students,

I am delighted to welcome you to the School of Open Learning (SOL), under the aegis of the Campus of Open Learning, University of Delhi. Established as a pioneering institution, it has made a significant mark in the field of Open and Distance Education in India. Since its inception, the SOL has been unwavering in its commitment to excellence in distance learning, providing accessible education to a diverse student body.

The SOL is renowned for its exceptional learning programs tailored to meet the demands of the twenty-first century. It has been instrumental in fulfilling the educational aspirations of economically and socially disadvantaged students who face barriers to accessing higher education. Over the years, the SOL has grown significantly, offering high-quality educational opportunities and focusing on character building. It stands as a beacon of hope, promoting moral values, community development, and equitable access to education amidst evolving economic, social, and cultural landscapes.

Despite the challenges posed by the recent academic year, which was predominantly online, the SOL has shown resilience and adaptability. We have ensured that online teaching and learning remain effective and accessible, conducting academic and cultural events, as well as online examinations (OBE), with great success. Through continuous support from faculty, staff, and students, we have turned challenges into opportunities. Initiatives such as updated study materials, online services, and fee concessions for disadvantaged students highlight our commitment to a student-friendly approach. We hope your association with the School of Open Learning will be a cherished and enriching experience.

Best Wishes!!

Open Learning Development Centre (OLDC)

The Open Learning Development Centre (OLDC) is a vibrant hub located within the Campus of Open Learning, Department of Distance and Continuing Education. Its primary focus is to promote open learning approaches and improve educational experiences at the School of Open Learning (SOL) and the University of Delhi. Our mission is to promote and support innovative, research-based, and development-focused projects that enhance the quality and availability of open learning opportunities. This will allow learners to successfully accomplish their academic and professional objectives. The centre prioritizes improving quality procedures that include curriculum evaluation, assessment verification, and ongoing feedback systems. It closely follows developments in accrediting systems and regulatory criteria to ensure that it is in line with the most effective methods in open and online education.

Our state-of-the-art computer lab is the core of our services. It provides students with the opportunity to engage in practical, hands-on learning experiences, guided by skilled instructors. Our labs offer an optimal setting for students to explore, experiment, and develop their skills in programming languages, design utilizing industry-standard software, and digital advertising. Aside from our state-of-the-art facilities, we are now working on creating a powerful learning management system (LMS) that will allow students to access and share educational content in a centralized and easily accessible manner. The students will receive quantifiable and traceable learning outcomes for their courses in a cost-efficient and scalable manner. The website will guarantee the integrity of the test procedure, enabling individuals to showcase their knowledge and talents conveniently from their own residences.

Recently, a variety of skill-based courses have been established at the facility. Our objective is to provide individuals with the necessary resources to thrive in the modern digital landscape and produce income to sustain the ongoing expansion and progress of our institute. Through our diligent monitoring of market trends and industry demands, we have carefully selected and designed a curriculum that is not only pertinent but also resistant to future changes. This curriculum effectively equips students with the necessary expertise and understanding to excel in their chosen sectors, thereby enhancing their employability and fostering a commitment to continuous learning.

As we begin this new phase of expansion and creativity, we welcome people from diverse backgrounds to join us in this process of exploration and change. If you are seeking to enhance your abilities, progress in your profession, or pursue a personal project, the Open Learning Development Centre is available to assist you in attaining your objectives. Let us collectively embrace the future of education and uncover boundless opportunities for personal and professional development.

Educational Technology Lab

The Educational Technology Lab (ET Lab), a division of the Open Learning Development Centre (OLDC), aims to offer valuable technological resources for the creation of creative and efficient digital learning materials. The objective of this project is to develop educational materials for learners in the form of content for massive open online courses (MOOCs), films, and web-based information. The course materials, provided in electronic format, serve as comprehensive resources covering various instructional writing styles. Furthermore, it is specifically designed to provide staff members with essential training and growth opportunities through the execution of Faculty and Staff Development Programs. The ET Lab is equipped with state-of-the-art equipment that features a range of advanced Audio-Video technology in a modern studio. These facilities are essential for participating in programs or creating content for the internet. The laboratory can quickly adapt to various editing setups, live streaming, recording, and other digital forms.

The objective of the ET lab is to develop robust material for the diverse range of courses provided by the School of Open Learning, Centre for Innovative Skill Based Courses and more. The laboratory will generate Open Educational Resources (OERs) to be available for the learners worldwide. It will offer both on-campus and off-campus services to institutions, assisting them in creating educational resources and delivering online courses to students and learners through pedagogically sound methods. The aim of ET Lab is to become self-sustainable by generating revenues and funds by expanding the utilization of the studio and its facilities for institutional and educational purposes outside Campus of Open Learning, to produce interactive learning and instructional materials, such as short films, commercials, and documentaries, to actively engage learners.

The Educational Technology Lab (ET LAB) is actively engaged in promoting the use of Educational Technology at the Institution and also at the National level.

Some of its major activities are:

- Design & Development of Instructional Resources: In the form of videos and web based.
- Provision and maintenance of AV equipment for classroom teaching.
- Video and computer based instructional packages.
- Organizing training programmes for faculty and professionals across the country.

COL Radio

Campus of Open Learning Radio (COL Radio), an innovative and emerging beacon in the realm of education, serves as a digital path to connect with the learners globally. From insightful podcasts to academic updates via news through our in-house YouTube Channel, it ensures the knowledge delivery. Currently at a nascent stage, COL Radio shall synchronize with technological advances, embracing innovation and ensuring a vibrant learning community. This platform aspires to set a significant milestone in Open and Distance Learning Education, seamlessly bridging the gap between learners and institutions through its diverse channels and programs. COL Radio is not just another online radio platform; it's a dynamic hub designed to revolutionize education and empower students in myriad ways. With a diverse range of programming, COL Radio offers both academic and non-academic benefits, catering to the holistic development of students.

Academically, COL Radio serves as a virtual classroom, supplementing traditional learning methods with engaging educational content. From insightful lectures by esteemed professors to interactive study sessions and educational podcasts, students have access to a wealth of knowledge at their fingertips. Moreover, COL Radio fosters a collaborative learning environment, encouraging students to exchange ideas and engage in intellectual discourse beyond the confines of the physical classroom.

Beyond academics, COL Radio is a catalyst for social impact, shedding light on important issues within the Indian education system and advocating for positive change. Through thought-provoking discussions, interviews with education experts, and student-led initiatives, COL Radio strives to address societal challenges and promote inclusivity and equity in education.

Furthermore, COL Radio provides a platform for students to voice their opinions, share their experiences, and showcase their talents. With dedicated segments for art, culture, sports, and more, COL Radio celebrates the diversity and creativity of the student community, fostering a sense of belonging and pride.

Looking ahead, COL Radio holds immense potential for revenue generation, paving the way for sustainable growth and investment in students and institutional development. By leveraging advertising opportunities, sponsorships, and partnerships, COL Radio aims to not only sustain itself but also create a surplus that can be reinvested in scholarships, infrastructure, and innovative educational initiatives.

In essence, COL Radio is more than just an online radio platform; it's a transformative force driving positive change in education and empowering students to reach their full potential.
