PREAMBLE

In 2022, the University of Delhi established the Department of Distance and Continuing Education (DDCE), Faculty of Open Learning, and the Open Learning Development Centre (OLDC) under aegis of the Campus of Open Learning (COL). The DDCE encompasses a variety of disciplines, offering distance learning programs in fields such as Commerce, Economics, Education, English, Environmental Science, History, Hindi, Political Science, Punjabi, Sanskrit, Urdu, Management, Financial Studies, Library and Information Science, Computer Science, and Psychology.

The School of Open Learning under the aegis of COL, established in 1962, initially provided conventional programs in humanities and commerce. Its first batch had around 900 students. Over the years, it has expanded significantly and now serves over four lakh students across various disciplines. This growth has been paralleled by the establishment of regional centers: the South Study Centre at Moti Bagh (1990), the West Regional Centre at Keshav Puram (2007), and a center at Tahirpur, East Delhi (2024). In 2022, the DDCE launched six new professional courses, including MBA, Master of Library and Information Sciences (MLISc), B.A. (Hons.) Economics, Bachelor of Management Studies, Bachelor of Business Administration (FIA), and Bachelor of Library and Information Sciences (BLISc). The B.A. (Hons.) Psychology program was introduced in 2023.

The School of Open Learning provides higher education opportunities particularly for those who are employed or unable to attend regular college due to various constraints. The flexible distance education mode is designed to help students achieve higher education and vocational skills through well-structured course materials provided at admission, supplemented with video lectures and academic counseling sessions at various Learning Support Centres. Experienced faculty members are available for mentoring and counseling at the main campus. Admission criteria and examinations adhere to the norms of the University of Delhi, which confers degrees upon DDCE students as it does for those in its constituent colleges. Beginning in the 2022-23 academic session, the University of Delhi adopted the National Education Policy (NEP) 2020 and introduced the Undergraduate Curriculum Framework (UGCF) 2022.

This Prospectus contains all the required information for admission to the MBA programme offered by the DDCE, SOL/COL, University of Delhi. However, any further specific query (not available in the Prospectus) may be obtained from the DDCE, SOL/COL.

VICE CHANCELLOR'S MESSAGE

PROF. YOGESH SINGH

Vice Chancellor, DU

Greetings to all!

It is my pleasure to welcome you to the academic year 2026–27 at the DDCE/SOL/COL, University of Delhi. Distance education has transformed learning, breaking barriers of time and place, and empowering individuals to achieve their academic aspirations. At DDCE/SOL/COL, we take pride in leading this transformative journey, offering flexible, high-quality education to students from diverse backgrounds.

Our MBA program is designed to meet the demands of today's dynamic professional world. It allows you to balance personal and professional commitments while gaining a valuable qualification. Through distance learning, you can enhance your skills and knowledge without compromising your current responsibilities, all while receiving the same quality education as traditional classroom programs.

Distance education is a gateway to unlocking your potential, expanding your horizons, and acquiring the skills needed for professional success. Embrace this opportunity to advance your career, connect with peers, and contribute meaningfully to the business world.

As you embark on this journey, remember that success demands discipline, perseverance, and a commitment to excellence. Stay focused, engage actively, and make the most of the resources available to you. DDCE/SOL/COL is here to support you at every step.

Wishing you success and fulfillment as you embark on this transformative journey of learning and growth. May your pursuit of knowledge take you to great heights!

Best Wishes!

DIRECTOR'S MESSAGE

PROF. PAYAL MAGO

Director, DDCE, SOL/COL, DU

Dear Prospective MBA Students,

Since its establishment in 1962, the School of Open Learning (SOL) has been a pioneer in distance education, empowering thousands of learners from diverse backgrounds for over six decades. We are proud to contribute to the "Education for All" mission, making quality education accessible to all.

In response to the rapidly evolving technological and business landscape, the University of Delhi launched the MBA program in distance mode in 2022-23 through the DDCE/SOL/COL. Designed to equip students with decision-making skills, strategic thinking, and leadership capabilities, this program has seen remarkable growth. From 2,085 students in its inaugural year, we now have over 11,511 students enrolled, a testament to the trust and confidence placed in us.

Our MBA program fosters a diverse and dynamic learning community, bringing together a wealth of experiences and perspectives. We are committed to democratizing education and nurturing proficient, ethical, and innovative professionals who excel in their fields.

Key Highlights of Our MBA Program:

- **Expert Talks:** Regular sessions with industry leaders to bridge the gap between theory and practice.
- **Blended Learning:** A mix of online weekday sessions for flexibility and offline counseling for face-to-face interaction and networking.
- **Industry Collaborations:** MOUs with esteemed organizations for internships, industry exposure, and career opportunities.
- **Comprehensive Resources:** Study materials, e-library, video lectures, audiobooks, and counseling sessions to support your learning journey.

At DDCE/SOL/COL, we are dedicated to creating an inclusive and empowering environment that fosters critical thinking, innovation, and ethical decision-making. Our faculty is committed to guiding and supporting you as you work toward your academic and professional goals.

We are thrilled to welcome you to our MBA program and look forward to a rewarding and transformative journey together. Let's work hand in hand to achieve excellence and shape the leaders of tomorrow.

Best Wishes!

PRINCIPAL'S MESSAGE

PROF. AJAY JAISWAL

School of Open Learning

Since its inception in 1962, the School of Open Learning (SOL) has been a pioneer in distance education. Starting with just 900 students, we now proudly serve over four lakh learners, making quality education accessible to all. Distance education has emerged as a preferred mode of learning, offering flexibility and inclusivity that traditional methods often cannot match.

Guided by our vision and values, we launched the Master of Business Administration (MBA) program in distance mode, catering to both fresh graduates and working professionals. This program is designed to equip students with the skills and knowledge needed for leadership roles in today's dynamic business environment.

Key Features of the MBA Program:

- *Innovative Pedagogy: Case studies, workshops and audio-video resources.*
- *Leadership Development: Prepares students to take on leadership roles and build strong professional foundations.*
- *Student-Centric Approach: Updated study materials and online services for students.*

We encourage students to refer to the program prospectus for detailed information on admissions, eligibility, and program structure.

At SOL, we are committed to providing an enriching and rewarding learning experience. Our focus is on empowering students to achieve their academic and professional goals while fostering innovation, leadership, and ethical values.

On behalf of the School of Open Learning/College of Open Learning, University of Delhi, I warmly welcome you to this new chapter in your journey. We look forward to supporting you every step of the way and ensuring your experience with us is both memorable and transformative.

Best Wishes!

ABOUT THE DEPARTMENT

The University of Delhi has established the Department of Distance and Continuing Education (DDCE); Faculty of Open Learning; and Open Learning Development Centre under the aegis of Campus of Open Learning (COL), University of Delhi. DDCE is continuously striving to build an inclusive knowledge-based society through distance education. It is focused to make high-quality academic programmes available to the mass through ODL mode.

From the Academic Session 2022-23, DDCE has been offering undergraduate and postgraduate programmes in management education in Open & Distance Learning (ODL) mode. The two undergraduate management programmes are Bachelor of Management Studies (BMS) and Bachelor of Business Administration (Financial Investment Analysis) (BBA(FIA)) and Master of Business Administration (MBA) as a postgraduate programme. The department follows a multimedia approach in delivering its programmes. It has included self-learning printed materials, supporting audio-video programmes, face to face interaction with students and academic counsellors. It facilitates the working professionals in acquiring management abilities and skills which will transform them into a leader in the business environment. The programmes of the department are designed in a modular format for providing maximum flexibility to the learners.

ABOUT THE PROGRAMME

MBA is a two-year postgraduate programme designed to develop the skills required for careers in business and management. It is embedded with a high degree of flexibility, thereby allowing everyone to realize their educational capabilities and fulfill their career aspirations. The programme will enable participants to continuously learn, improvise, and grow in their career trajectory.

The structure of the course is closely aligned with contemporary business requirements. The MBA programme has a two-tier structure: it consists of a core curriculum (compulsory credit courses and compulsory MBA non-credit courses), a summer internship and elective courses (optional courses in the second year). The first year is committed to developing business fundamentals through compulsory courses spanning the areas of economics, finance, marketing, etc. The second year offers number of electives, thus ensuring the students have a wide range of choices to build upon their desired area of pursuit. DDCE is always student centric at its core and flexible enough to cater to a heterogeneous group of students. It is also committed to create a conducive environment for teaching, learning, and research for students and faculty. Continuous industry interaction is an added advantage to the students of this programme.

WHAT DOES SOL PROVIDE?

Self Learning Material

Industrial Exposure to the students by Industry experts

Audio books are available for visually impaired students

Video lectures

Live lectures in online as well as offline mode

WHY DDCE/SOL/COL?

Students looking for flexible and accessible education options can consider the School of Open Learning (SOL) for their studies. One of the key advantages of SOL is that it facilitates distance learning, allowing students to learn at their own convenience. This mode of learning enables individuals to balance work, family, and other commitments while pursuing their educational goals. Moreover, SOL offers degrees that are equivalent to those obtained through regular courses, ensuring that there is no compromise in the value of the degree. Students pursuing their studies through SOL are eligible for the same career opportunities and job prospects as students from any other colleges.

Another benefit of SOL is that it offers bi-annual exams instead of yearly exams, which reduces the burden of covering the syllabus and lessens the stress for the students. Additionally, SOL does not have any attendance requirements, making it an ideal option for working professionals who cannot attend regular classes.

Students can also opt for professional courses such as CA, CS and any other due to the flexibility of the course structure. Students who are thinking of preparing for civil services SOL is a good option for them too. SOL allows students to improve their skills in their spare time while continuing with their work or other commitments.

SOL is an affordable option for students as well as providing financial assistance for those who need it. Students can benefit from various scholarships to cover their tuition fees. SOL offers a wide range of activities and events to its students, creating a sense of community and engagement. Despite being a distance learning mode, SOL offers an affable experience to the students, allowing them to participate in various cultural, literary, and sports events. Lastly, SOL offers global exposure to its students as the degree given to the students are globally accepted. In conclusion, students looking for flexible and accessible education options can benefit greatly from the School of Open Learning.

STUDENT BYTES

KULDEEP KAPOOR

I am 65 years old and retired from bank. I joined MBA from distance learning this year. I was fully briefed about the course. We were provided with the study material the same day. It was a comfortable experience and the study material provided is rich in nature. I am a postgraduate in mathematics. As per my experience the faculty chosen is good and dedicated. I strongly feel that with the passage of time, the brand value of this MBA course will increase. As and when we approach the faculty with our doubts, they are available and follow up with our problems. I am fully satisfied with the experience. I hope SOL will put efforts for industrial recognition of the course to help young generation with employment opportunities.

SADHNA

I joined MBA from DDCE. My overall experience is very nice. The department is providing us good quality study material as well. The classes are in hybrid mode. The classes are very interactive. Teachers give lectures with the help of PPTs thus helping the students to understand better. It is very nice to attend classes and I want to thank the department for giving us good quality education.

RAJAT

I am doing MBA from DDCE, SOL. My experience till now has been really good. Study material has been provided to us at the start of our session. Teachers take online classes and we also have classes on Sundays in physical form. The faculty is well experienced.

TUSHAR

I am a student of DDCE, SOL. Classes commence regularly in hybrid mode. Department has its own youtube channel through which we get recordings of our offline sessions. The experience has been smooth till date.

AJAY KUMAR SONKAR

I am MBA student from Allahabad, UP. With the reputation of University of Delhi and my love for management I started with this course. From the point of admission till today it all felt like a fun ride. My teachers are supportive, they take our doubts actively in hybrid form of classes. I feel students are enjoying the course and their teaching methods a lot. I really feel that this course will be a significant step towards my career growth.

KALPANA

I am an MBA student of DDCE, SOL, DU. I am taking classes on a regular basis. Teachers take our doubts in online as well as offline mode. We are Studying From the study material provided. Faculty are cooperative and supportive.

AKANSHA BANSAL

Having knowledge of business and skills to manage it, is very much required in today's time. Hence, pursuing Masters in Business Administration from School of Open Learning which is itself an integral part of University of Delhi, is an immense pleasure and wonderful opportunity for my career's growth.

HUDA

Professionally I am working as a business analyst with EXL Services. Since enrolling into the MBA program by SOL, University of Delhi, I have come a long way. My understanding of real financial world has greatly improved. The faculty and the network of students have an immense role to play in that. In all respects, it has been a great effort by the management team to bring together an impossible number of students in such a limited time span.

BE A PART OF A DIVERSIFIED COMMUNITY

INTERNSHIP

Internships are crucial for MBA students as they provide an opportunity to apply theoretical concepts in real-world scenarios, gain practical experience, and develop problem-solving skills. SOL understands the significance of internships and facilitates them for students to explore diverse industries and job roles. The institute's placement cell connects students with various companies and organizations, offering a wide range of internship opportunities. Furthermore, SOL also offers internship program with OLDC to provide hands-on experience to students and expose them to the latest industry trends and technologies.

SOL has made summer internships mandatory for all non-working MBA students in their second year. This requirement ensures that students gain practical experience before completing their degree and entering the workforce. The institute believes that internships are essential in preparing students for the challenges of the professional world, making them better equipped to handle complexities in their chosen field and make informed career decisions.

To ensure that students are well-equipped with the necessary skills and experience, it is essential to have a mandatory internship for all students pursuing MBA, lasting a minimum of 8 weeks (one or a sum of two internships for four weeks each). The students should explore internship by their own, School of Open Learning (SOL) will facilitate the process by providing a bona fide certificate.

At the end of the internship period, students are required to submit an internship report in PDF format.

Working executives can engage by identifying their job responsibilities and association with the organisation. The report should include the following:

- a. Problem Identification where you are currently working
- b. Nature and Causes of the problem
- c. Financial implications and impacts on the organisation of the problem
- d. Suggested solutions

The internship report should be in proper sequence and prescribed format mentioned on the website.

ENTREPRENEURSHIP CELL

The Indian government has launched various initiatives such as Skill India, Start Up India, Make In India, and National Digital Library to promote self-employment and entrepreneurship in the country. However, the implementation of these schemes often falls short, resulting in limited accessibility for beneficiaries. To address this gap, the School of Open Learning (SOL) at the University of Delhi, North Campus, established the Entrepreneurship Cell - Incubator and Accelerator Center of Excellence in 2018.

The Entrepreneurship Cell supports students and alumni of SOL, as well as deserving applicants from various categories such as SC/ST/OBC, Divyang, North Eastern Region, Women, and Unemployed Youth, to promote self-employment and Make In India in both rural and urban areas across India. The initiative offers career management services, guidance in identifying suitable career options, skill development through various courses, and mentoring support for setting up startups and scaling existing businesses.

The outcomes of this project include the development of training plans for skill development courses, business plans for entrepreneurship projects, access to government schemes such as funding under PMEGP, MUDRA, and CGTMSE, and marketing assistance under GEM Scheme, MSME Mart (NSIC), and Public Procurement Policy-MSME.

Additionally, the Entrepreneurship Cell develops entrepreneurship education content such as guides, toolkits, booklets, and checklists for underserved sections of the community. Students can contact the Entrepreneurship Cell through various modes of communication, including online and offline registration, phone, and email. The initiative maintains regular communication with students through SMS and notices on website of SOL.

The Entrepreneurship Cell aims to bridge the gap between government schemes and their implementation by providing skill and entrepreneurial support. It follows a T-point approach, providing skill development services, internship and volunteering projects, placement assistance, knowledge webinars and classroom sessions, career counseling and guidance, international pathways, and focus groups for alumni and deserving applicants.

The initiative also offers access to curated courses in skill development and mentoring support for all phases of an entrepreneurial cycle. Additionally, it provides resources to become job-ready, such as CV and cover letter writing assistance, and guidance on international pathways for higher education, startups, and jobs.

The Entrepreneurship Cell collaborates with academic institutions and colleges in the University of Delhi and beyond to provide joint programs and workshops. It also maintains a dedicated YouTube channel and WhatsApp group for virtual mentoring support to reach more students.

The School of Open Learning (SOL) established its Placement Cell on September 4, 2018, to aid students in transitioning smoothly into the professional world. It serves as a reliable bridge between students and prospective employers, offering a dynamic platform for engagement. Through its online portal, SOL keeps students informed about job vacancies and opportunities. Since its inception, the Placement Cell has organized 19 Placement Drives and 5 Mega Job Fairs for Persons with Disabilities (PwBD), fostering inclusive employment opportunities. In the year 2022-23, SOL provided career guidance, job notifications through various channels, and organized placement drives and job fairs. Notably, they conducted three Mega Job Fairs for Persons with Disabilities (PwBD), with over 800 participants and 20 companies in the first, 240 participants, and 23 companies in the second with 80+ candidates being selected, and 350+ PwBD students and 15 companies in the third. Additionally, they organized placement drives with specific companies, like AXIS Bank, with various students being selected after interviews. The Placement Cell also collaborated with organizations like NIIT Ltd. and facilitated workshops, seminars, and internship opportunities for students, continually expanding their network of recruiters to enhance placement prospects.

In the year 2023-24, notable successes include a job fair in collaboration with Samarthanam Trust for Disabled in March 2024, resulting in 211 selections out of 361 participants. In February 2024, 87 out of 134 students were placed with Axis Bank, and in March 2024, 25 candidates secured positions with Black Tie Legal Services LLP. Additionally, the Placement Cell offers workshops, training sessions, seminars, and internships to enhance students' professional growth and expand its network of recruiters. Various live webinars and speaker sessions on the topics like: Resume Building, The Brand Called "YOU", Soft Skills for Business, Mastering the art of Public Speaking through Effective Communication, How to enter into the world of corporate, Digital Marketing, have been successfully conducted.

Between April 2024 and January 2025, several companies shortlisted or selected candidates across different months. In April 2024, TaxManager shortlisted 07 candidates, followed by MagicPin in July 2024 with 02 (data incomplete). September saw Axis Bank Ltd selecting 28 individuals, while I-Process Services shortlisted 04 in October. Investor Clinic followed in November with 06 selections. In January 2025, 10 Arms and Samarthanam Trust for PwBD selected 06 and 68 candidates, respectively, marking the highest number of selections in this period.

INTRODUCTION

The School of Open Learning since its inception in the year 1962 has a vision of providing educational opportunities to society beyond traditional classrooms. It is the pioneer institution in the field of Open and Distance Education in India. Since its establishment, the School of Open Learning has been continually evolving, responding to the dynamic educational landscape and the changing needs of society. Initially serving 900 students in humanities and commerce, it has since grown to accommodate over 4,00,000 students enrolled in various academic programs.

School of Open Learning, Campus of Open Learning (SOL/COL) is committed to the Government's vision of ensuring access to education to all the students in an inclusive and equitable environment. On these lines, SOL is providing financial support to different strata of society through its different schemes. The students enrolled in DDCE/SOL/COL who belong to economically weaker sections got fee waivers. Similarly, full fee concession in the next year to the meritorious female students was announced. SOL left no stone unturned to facilitate the students with benchmark Physical Disabilities (PwD).

Special provisions were made by SOL to facilitate the orphan and transgender students so that these students should also have access to quality education with necessary financial support. Personnel from Armed forces and Central Police Armed Forces whether in-service or retired and their wards are also entitled to get the fee waiver ranging from 75% to 25%. Fee waivers are also applicable to the employees of SOL and University of Delhi whether permanent/temporary/ad-hoc or contractual as well as their wards.

From this year SOL has decided to extend the fee waiver/ financial support scheme to the students who have credible achievements in sports. This waiver will encourage the students to concentrate on their sport and win accolades for the Institution, University and the country as well.

OPEN LEARNING DEVELOPMENT CENTER (OLDC)

The Open Learning Development Centre (OLDC) is a vibrant hub located within the Campus of Open Learning, Department of Distance and Continuing Education. Its primary focus is to promote open learning approaches and improve educational experiences at the School of Open Learning (SOL) and the University of Delhi. Our mission is to promote and support innovative, research-based, and development-focused projects that enhance the quality and availability of open learning opportunities. This will allow learners to successfully accomplish their academic and professional objectives. The centre prioritizes improving quality procedures that include curriculum evaluation, assessment verification, and ongoing feedback systems. It closely follows developments in accrediting systems and regulatory criteria to ensure that it is in line with the most effective methods in open and online education.

Our state-of-the-art computer lab is the core of our services. It provides students with the opportunity to engage in practical, hands-on learning experiences, guided by skilled instructors. Our labs offer an optimal setting for students to explore, experiment, and develop their skills in programming languages, design utilizing industry-standard software, and digital advertising. Aside from our state-of-the-art facilities, we are now working on creating a powerful learning management system (LMS) that will allow students to access and share educational content in a centralized and easily accessible manner. The students will receive quantifiable and traceable learning outcomes for their courses in a cost-efficient and scalable manner. The website will guarantee the integrity of the test procedure, enabling individuals to showcase their knowledge and talents conveniently from their own residences.

Recently, a variety of skill-based courses have been established at the facility. Our objective is to provide individuals with the necessary resources to thrive in the modern digital landscape and produce income to sustain the ongoing expansion and progress of our institute. Through our diligent monitoring of market trends and industry demands, we have carefully selected and designed a curriculum that is not only pertinent but also resistant to future changes. This curriculum effectively equips students with the necessary expertise and understanding to excel in their chosen sectors, thereby enhancing their employability and fostering a commitment to continuous learning.

As we begin this new phase of expansion and creativity, we welcome people from diverse backgrounds to join us in this process of exploration and change. If you are seeking to enhance your abilities, progress in your profession, or pursue a personal project, the Open Learning Development Centre is available to assist you in attaining your objectives. Let us collectively embrace the future of education and uncover boundless opportunities for personal and professional development.

Educational Technology Lab

The Educational Technology Lab (ET Lab), a division of the Open Learning Development Centre (OLDC), aims to offer valuable technological resources for the creation of creative and efficient digital learning materials. The objective of this project is to develop educational materials for learners in the form of content for massive open online courses (MOOCs), films, and web-based information. The course materials, provided in electronic format, serve as comprehensive resources covering various instructional writing styles. Furthermore, it is specifically designed to provide staff members with

essential training and growth opportunities through the execution of Faculty and Staff Development Programmes. The ET Lab is equipped with state-of-the-art equipment that features a range of advanced Audio-Video technology in a modern studio. These facilities are essential for participating in programmes or creating content for the internet. The laboratory can quickly adapt to various editing setups, live streaming, recording, and other digital forms.

The objective of the ET lab is to develop robust material for the diverse range of courses provided by the School of Open Learning, Centre for Innovative Skill Based Courses and more. The laboratory will generate Open Educational Resources (OERs) to be available for the learners worldwide. It will offer both on-campus and off-campus services to institutions, assisting them in creating educational resources and delivering online courses to students and learners through pedagogically sound methods. The aim of ET Lab is to become self-sustainable by generating revenues and funds by expanding the utilization of the studio and its facilities for institutional and educational purposes outside Campus of Open Learning, to produce interactive learning and instructional materials, such as short films, commercials, and documentaries, to actively engage learners.

The Educational Technology Lab (ET LAB) is actively engaged in promoting the use of Educational Technology at the Institution and also at the National level.

Some of its major activities are:

- Design & Development of Instructional Resources: In the form of videos and web based.
- Provision and maintenance of AV equipment for classroom teaching.
- Video and computer based instructional packages.
- Organizing training programmes for faculty and professionals across the country.
- Video conferencing for faculty selection interviews and meetings.
- E-Learning and MOOCs (Massive open online courses)
- Undertaking sponsored and research projects.

COL Radio

Campus of Open Learning Radio (COL Radio), an innovative and emerging beacon in the realm of education, serves as a digital path to connect with the learners globally. From insightful podcasts to academic updates via news through our in-house YouTube Channel, it ensures the knowledge delivery. Currently at a nascent stage, COL Radio shall synchronize with technological advances, embracing innovation and ensuring a vibrant learning community. This platform aspires to set a significant milestone in Open and Distance Learning Education, seamlessly bridging the gap between learners and institutions through its diverse channels and programmes. COL Radio is not just another online radio platform; it's a dynamic hub designed to revolutionize education and empower students in myriad ways. With a diverse range of programming, COL Radio offers both academic and non-academic benefits, catering to the holistic development of students.

Academically, COL Radio serves as a virtual classroom, supplementing traditional learning methods with engaging educational content. From insightful lectures by esteemed professors to interactive study sessions and educational podcasts, students have access to a wealth of knowledge at their fingertips. Moreover, COL Radio fosters a collaborative learning environment, encouraging students to exchange ideas and engage in intellectual discourse beyond the confines of the physical classroom.

Beyond academics, COL Radio is a catalyst for social impact, shedding light on important issues within the Indian education system and advocating for positive change. Through thought-provoking discussions, interviews with education experts, and student-led initiatives, COL Radio strives to address societal challenges and promote inclusivity and equity in education.

Furthermore, COL Radio provides a platform for students to voice their opinions, share their experiences, and showcase their talents. With dedicated segments for art, culture, sports, and more, COL Radio celebrates the diversity and creativity of the student community, fostering a sense of belonging and pride.

Looking ahead, COL Radio holds immense potential for revenue generation, paving the way for sustainable growth and investment in students and institutional development. By leveraging advertising opportunities, sponsorships, and partnerships, COL Radio aims to not only sustain itself but also create a surplus that can be reinvested in scholarships, infrastructure, and innovative educational initiatives.

In essence, COL Radio is more than just an online radio platform; it's a transformative force driving positive change in education and empowering students to reach their full potential.

CAMPUS CONDUCT AND GRIEVANCE REDRESSAL

Prohibition and Punishment for Ragging (ORDINANCE XV-C)

1. Ragging, in any form is strictly prohibited, within the premises of College/ Department or Institution and any part of Delhi University system as well as on public transport.
2. Any individual or collective act or practice of ragging constitutes gross indiscipline and shall be dealt with under this Ordinance.
3. Ragging for the purposes of this Ordinance, ordinarily means any act, conduct or practice by which dominant power or status of senior students is brought to bear on students freshly enrolled or students who are in any way considered junior or inferior by other students; and includes individual or collective acts or practices which -
 - a. involve physical assault or threat to use physical force.
 - b. violates the status, dignity and honor of women students.
 - c. violates the status, dignity and honor of students belonging to the scheduled castes and tribes.
 - d. exposes students to ridicule and contempt and affects their self-esteem.
 - e. entails verbal abuse and aggression, indecent gestures and obscene behavior.
4. The Principal of a College, the Head of the Department or an Institution, the authorities of the College, or University Hostel or Halls of Residence shall take immediate action on any information of the occurrence of ragging.
5. Notwithstanding anything in Clause (4) above, the Proctor may also suo moto enquire into any incident of ragging and make a report to the Vice-Chancellor of the identity of those who have engaged in ragging and the nature of the incident.
6. The Proctor may also submit an initial report establishing the identity of the perpetrators of ragging and the nature of the ragging incident.
7. If the Principal of a College or Head of the Department or Institution or the Proctor is satisfied that, for some reason, to be recorded in writing, it is not reasonably practical to hold such an enquiry, he/ she may so advise the Vice- Chancellor accordingly.
8. When the Vice-Chancellor is satisfied that it is not expedient to hold such an enquiry, his / her decision shall be final.
9. On the receipt of a report under Clause (5) or (6) or a determination by the relevant authority under clause (7) disclosing the occurrence of ragging incidents described in Clause 3(a), (b) and (c), the Vice-Chancellor shall direct or order rustication of a student or students for a specific number of years.
10. The Vice-Chancellor may in other cases of ragging order or direct that any student or students be expelled or be not for a stated period, admitted to a course of study in a college, departmental examination for one or more years or that the results of the student or students concerned in the examination or examinations in which they appeared be cancelled.
11. In case any students who have obtained degrees or diplomas of Delhi University are found guilty; under this Ordinance, appropriate action will be taken under Statute 15 for withdrawal of degrees or diploma conferred by the University.

12. For the purpose of this Ordinance, abetment to ragging whether by way of any act, practice or incitement of ragging will also amount to ragging.
13. All Institutions within the Delhi University system shall be obligated to carry out instructions/ directions issued under this Ordinance, and to give aid assistance to the Vice-Chancellor to achieve the effective.

Note: Order of the Vice-Chancellor in pursuance of Ordinance XV-C:

Where incident(s) of ragging are reported to the Vice-Chancellor by any authority under this Ordinance, the students(s) involved in ragging, shall be expelled for a specified term, designated in the order. Non-students involved in reports of ragging will be proceeded with under the criminal law of India; they will also be rendered ineligible for a period of five years from seeking enrolment in any of the institutions of the University of Delhi. Students against whom necessary action is taken under this note, will be given post decisional hearing, with strict adherence to the rules of natural justice.
