## **PLACEMENT CELL**

School of Open Learning is pleased to announce that it has established a Placement Cell with effect from September 4, 2018, for the benefit of SOL students. The Cell has been created to address the need of students to find a suitable placement after completion of their studies at SOL. This initiative endeavors to provide a platform where students can interface with recruiters within a reliable framework and find suitable placements.

The Placement Cell has a fully functional website ([https://sol.du.ac.in/placement\\_cell/](https://sol.du.ac.in/placement_cell/)) to provide the latest information to students regarding the available Job vacancies. Students are also informed about the Placement Drives through SMS, notices and link on SOL portal.

The first Placement Drive was held on November 14, 2018 with Dalmia Group, for the profile of Associate Executive Sales/Marketing. The Drive was well received and more than a thousand students participated. Successful candidates (exceeding 150), received offer letters on the same day. The last Placement Drive was held on March 23, 2019 with Axis Bank partner with NIIT Ltd, for the profile of Business Development Executive. Around hundred graduate's students participated in Drive, 20 candidates selected after completion of interview and online test by the panelists.

Till date eight Placement Drives with different employers have been organized. Around 2000 students have participated and more than 300 have received offer letters.

The Placement Cell functions under supervision of a Placement Committee headed by the Convener Dr Suman Kumar Verma. It has members from the academia as well as the administrative set-up.

Students are benefited immensely from the Placement Drives at SOL. The Placement Cell strives continuously to connect with more recruiters to provide excellent placement opportunities for SOL students. Some of the reputed organizations that have participated in recruitment drives are:

- Dalmia Group
- HDB Financial Services
- ISA Global
- NIIT Ltd
